Client Personal Computer // Server Malicious Code Removal Service Contract Agreement

*I the previously mentioned and undersigned **client** of **G.C.'s Sowilo Electronics** hereby **request** and **authorize** the scanning of any and all **malicious code** that may have infected **my** personal data by means of **advanced malicious code detection software** and **techniques**, this could include the removal of **my** hard drive(s) and or other digital storage media and the connection of those devices to a Linux computer that is capable of scanning for any and all kinds of known malicious code. **I** understand that some of **my** data may be destroyed and or quarantined. **My** personal data may also be backed up to a different digital storage medium to be isolated. **I** have been shown what the malicious code removal process is and **I** understand and agree to this process. **I** understand that some malicious code is extremely sophisticated and is capable of hooking onto / infecting bootloaders, device firmware, ROM chips, **my** personal data and any other kind of data that may be present on a hard drive or other hardware device.*
